

Invoicing and payment terms

Information for suppliers to Coromatic AB.

E-invoicing via Peppol

To ensure efficient, fast, and secure invoice processing, we apply electronic invoicing for supplier invoices. To send electronic invoices, you need to have an agreement with an e-invoice operator.

If you are unable to send e-invoices, we can, in exceptional cases, accept PDF invoices via:
invoice@coromatic.se

Regarding our factory in Östersund: invoicenord@coromatic.se

Payment terms

Coromatic only accepts 30 days net as a minimum.

Any late payment interest will be invoiced according to the Interest Act.

Invoice fees or other handling charges are not accepted.

If you, as a supplier, are subject to reverse VAT for Construction Services, this must be stated on the invoice along with your VAT number.

STEP 1	STEP 2
Inform your current e-invoice operator (VAN provider) that you wish to send e-invoices to Coromatic AB.	Start sending e-invoices according to the content requirements described below.

Content requirements for supplier invoices

To process your e-invoices, the following requirements must be met:

The invoice must include one of the following:

- Order number
- Project number
- Service number
- Cost center/result unit
- Purchase number (OAxXXXX) if possible

Mandatory reference information

- The first and last name of the purchaser

E-invoicing via the Peppol network or EDI operator

Since Coromatic AB is connected to Peppol we prefer invoices to be sent that way.

- E-invoices can also be sent via an EDI operator.
- Attachments must be sent in PDF format.
